CAREERS

**Do you know someone who would make a good electrician?
Looking for more than just a job? College is just not for you?**

M.R. Electricians was founded with the goal of providing **high quality products, superior workmanship, and exceptional customer service.** At M.R. Electricians, we look for career-minded individuals who take pride in their work and who hold themselves accountable to the highest standards. In return, we offer a **positive, rewarding work environment, ongoing training, opportunities for advancement, and attractive compensation.**

HOW WE TRAIN

Read about our Four-Year Program! The MRE Apprenticeship Program

As an MRE electrical apprentice, you have the opportunity to earn college credits! You will be working on exciting projects with a contracting company while also enhancing your on-the-job learning with IEC instruction in the classroom.

At your local IEC Training Center, you will learn from America's leading professional electrical instructors. IEC electrical contractors invest in our apprentices and want them to excel in the trade. **We believe in providing growth and merit opportunities to individuals that put in their all.
